

Addiction Health Services Research Conference 2010

AGENDA

Sunday, October 24

Afternoon at Keeneland

If your travel plans allow, please join us for an afternoon of thoroughbred horse racing at Keeneland. Shuttle service will run throughout the afternoon from the Hilton to Keeneland. Horse racing is a Kentucky tradition, and we hope it will be a great afternoon for socializing before the conference begins.

Monday, October 25

Noon-6:00 PM: Registration

Conference Registration is located on the 2nd floor of the Hilton at the top of the escalator. All meeting rooms are also on the 2nd floor.

1:00-4:00 PM: New Investigator Workshop (Triple Crown Room)

Staff from NIDA and NIAAA will conduct a grantsmanship workshop for new investigators. This workshop is intended to provide an overview of strategies for developing a successful services research grant application for submission to NIH. Topics to be covered include Career Development Grant Mechanisms, Early Career Project Grant Mechanisms, The Concept Paper and Program Fit, TIPS: What to say in the application, IRGs and Review Criteria, Human Subjects, IRBs, The Grant Decision-making Process, and Keys to My Success by a funded new investigator. The workshop is appropriate for junior investigators interested in pursuing a career in drug abuse research. In addition, participants will have the opportunity to receive feedback from NIH staff on concept papers. Participants are strongly encouraged to take advantage of this opportunity and submit an advanced copy of a concept by October 8. The format for the Concept Paper is located under the "Download Materials" link. Pre-registration is required.

1:30-4:30 PM: NIATx200 Meeting (Crimson Clover Room)

Please note that this is a closed meeting for the NIATx 200 group.

3:00-5:00 PM: Experienced Investigator Forum (Bluegrass Room)

New applications, new rules, new review committees, shifting priorities, shrinking budgets – what do I do now? NIH staff will conduct a workshop for experienced investigators that reviews current NIH, Institute, and program priority areas including tips for building services research projects on major NIH platforms, being strategic in developing applications, and an insider's perspective on the grant review process. Pre-registration is required.

6:30-9:00 PM: Opening Reception at the Penguin Piano Bar

Come celebrate the opening of the 2010 AHSR conference with an evening of great food and live music at the Penguin Piano Bar. The Penguin is located at 517 West Main Street, about 3 blocks from the Hilton. When exiting the Hilton from the main entrance, make an immediate right onto Broadway, walk 1 block up to Main Street, and turn left—the Penguin is across the street from Rupp Arena and Convention Center.

Tuesday, October 26

7:00 AM-5:45 PM: Registration

Conference Registration is located on the 2nd floor of the Hilton at the top of the escalator. All meeting rooms are also on the 2nd floor.

7:00-9:00 AM: Breakfast

Breakfast will be served on the 2nd floor in the Foyer area outside the Grand Kentucky Ballroom. Seating is available in the Grand Kentucky Ballroom.

7:30-9:00 AM: Journal of Substance Abuse Treatment Editorial Board Meeting (*Lilly of the Valley Room*)

Please note that this is a closed meeting for JSAT Editorial Board Members.

8:00-8:15 AM: Welcoming Remarks (*Grand Kentucky Ballroom*)

Emery Wilson, MD, Dean

University of Kentucky College of Medicine

8:15-9:00 AM: Plenary Address (*Grand Kentucky Ballroom*)

David Gustafson, PhD

**Research Professor of Industrial and Systems Engineering and
Director of the Center for Health Enhancement Systems Studies
University of Wisconsin-Madison**

9:15-10:45 AM: Breakout Session 1

A. Extended-Release Naltrexone: Emerging Results (*Bluegrass Room*)

Chair and Discussant: Dennis McCarty, Department of Public Health and Preventive Medicine, Oregon Health Sciences University

- ***Efficacy and Safety of Injectable Extended-Release Naltrexone (XR-NTX) for the Treatment of Opioid Dependence*** (David R. Gastfriend, Alkermes, Inc., Evgeny Krupitsky, Bekhterev Research Psychoneurological Institute, St. Petersburg State Pavlov Medical University, Edward V. Nunes, New York State Psychiatric Institute and Department of Psychiatry, Columbia University, Walter Ling, Department of Psychiatry and Biobehavioral Sciences, University of California Los Angeles, Ari Illeperuma, Alkermes, Inc., and Bernard L. Silverman, Alkermes, Inc.)
- ***Preliminary Evaluation of Extended-Release Naltrexone (XR-NTX) in Michigan and Missouri Drug Courts*** (Michael Finigan, Northwest Professional Consortium, Inc (NPC), Tamara Perkins, Northwest Professional Consortium, Inc (NPC), and Phyllis Zold-Kilbourn, Buy The Numbers, Inc.)
- ***Characteristics, Persistence and Outcomes of Insured Patients Treated with Extended-Release Naltrexone (XR-NTX) or Oral Medications*** (Mady Chalk, Treatment Research Institute, Leslie Montejano, Thomson Reuters, Inc., Tami Mark, Thomson Reuters, Inc., Henry R. Kranzler, University of Connecticut School of Medicine, and David R. Gastfriend, Alkermes, Inc.)
- ***Health Care Costs and Utilization in Patients Receiving Extended-Release Naltrexone for Alcohol Use Disorders*** (William Bryson, John McConnell, Todd Korthuis, and Dennis McCarty, PhD, Department of Public Health and Preventive Medicine, Oregon Health Sciences University)

B. Withstanding the Journey and Avoiding the Detours Associated with the Mandate for Implementing Evidence-Based Practices: Lessons Learned from Research and Training Initiatives Related to Adopting Motivational Interviewing (*Crimson Clover Room*)

Chair and Discussant: Paula K. Horvatich, Virginia Commonwealth University Department of Psychiatry

- ***Patience and Persistence: Lessons Learned about Implementing Motivational Interviewing in a Publicly Funded Substance Abuse Treatment Program*** (Paula Horvatich, Mid-Atlantic ATTC)
- ***Training and Implementation of Motivational Interviewing in Rural and Frontier Areas*** (Pat Stilen, Mid-America ATTC, University of Missouri-Kansas City, and Heather J. Gotham, Mid-America ATTC)
- ***A Strategic Approach in Disseminating Motivational Interviewing in a Rural and Frontier State*** (Anne Helene Skinstad, and Candace Peters, Prairielands ATTC, University of Iowa)
- ***Growing Our Own Motivational Interviewing Experts: An Enhanced Training Package for Clinical Supervisors Practicing in Frontier States*** (Nancy A. Roget and Joyce A. Hartje, Mountain West ATTC, University of Nevada, Reno)

C. Integrating Substance Abuse and Primary Care Services: Perspectives from the Field (Triple Crown Room)

Chair: Mary Brolin, Brandeis University, Heller School for Social Policy and Management

Discussant: Michael Botticelli, Massachusetts Department of Public Health

- ***How Does Non-physician Screening for Unhealthy Alcohol and Drug Use Affect Primary Care Provider Practice?*** (Mary Brolin, Heller School, Schneider Institutes for Health Policy, Brandeis University, Theresa W. Kim, Boston University School of Medicine, Natalie Kretsch, Boston Medical Center, Richard Saitz, Boston University School of Medicine, Boston Medical Center, Michael Winter, Boston University School of Public Health, Data Coordinating Center, Jeffrey H. Samet, Boston University School of Medicine, Boston Medical Center, Christopher W. Shanahan, Boston University School of Medicine, Boston Medical Center, Alissa B. Almeida, Boston Medical Center, Michael Botticelli, Massachusetts Department of Public Health, Bureau of Substance Abuse Services, and Daniel P. Alford, Boston University School of Medicine, Boston Medical Center)
- ***Coordinating Primary Care and Substance Abuse Treatment Services in Community Health Centers*** (Deborah Gurewich, Donald Shepard, Jenna Sirkin, Galina Zolotusky, and Deborah Garnick, Schneider Institutes for Health Policy, Brandeis University)
- ***Integrating Primary Care and Substance Use Disorder Treatment Using a Nurse Care Manager Model*** (Michael Botticelli, Massachusetts Department of Public Health, Bureau of Substance Abuse Services)
- ***Effectiveness of Chronic Care Management for Alcohol and Drug Dependence: Addiction Health Evaluation and Disease Management (AHEAD) Trial Results*** (Richard Saitz, Department of Medicine, Department of Medicine, Boston Medical Center, and Boston University School of Medicine, Department of Epidemiology, Boston University School of Public Health, Debbie M. Cheng, Department of Medicine, Boston Medical Center and Boston University School of Medicine, and Department of Biostatistics, Boston University School of Public Health Michael Winter, Data Coordinating Center, Boston University School of Public Health, Theresa W. Kim, Department of Medicine, Boston Medical Center and Boston University School of Medicine, Julie K. Witas, Department of Medicine, Boston Medical Center and Boston University School of Medicine, Seville Meli, Department of Medicine, Boston Medical Center and Boston University School of Medicine, Donald Allensworth-Davies, Data Coordinating Center, Boston University School of Public Health, Christine Lloyd-Travaglini, Data Coordinating Center, Boston University School of Public Health, and Jeffrey H. Samet, Department of Medicine, Boston Medical Center, Boston University School of Medicine, and Department of Community Health Sciences, Boston University School of Public Health)

D. Health Services Research in Criminal Justice Settings (Blackberry Lilly Room)

Chair and Discussant: Laurel Mangrum, University of Texas at Austin, Addiction Research Institute

- ***The Effects of Participating in the Texas Access to Recovery (ATR) Program on Addiction***

Treatment Outcomes of Criminal Justice Clients (Laurel Mangrum, University of Texas at Austin, Addiction Research Institute)

- ***Impact of Jail Sanctions During Drug Court Participation*** (Randall Brown, University of Wisconsin School of Medicine & Public Health/Family Medicine, Javier Nieto, University of Wisconsin School of Medicine & Public Health/Population Health Sciences, and Paul Allison, University of Pennsylvania/Sociology)
- ***Parole Officer-Parolee Relationships and HIV Risk Behaviors during Community Supervision*** (Traci Green, Brown Medical School, Magda Harrington, Brown Medical School, Enrique R. Pouget, National Development and Research Institutes, Jennifer Johnson, Brown Medical School, Anne Rhodes, George Mason University, Faye S. Taxman, George Mason University, Dan J. O'Connell, University of Delaware, Steve S. Martin, University of Delaware, Michael Prendergast, UCLA, and Peter D. Friedmann, Brown Medical School)

10:45-11:00 AM: Break

11:00 AM-12:30 PM: Breakout Session 2

A. Economic Evaluation of Substance Abuse Programs (*Bluegrass Salon A*)

Chair and Discussant: Michael T. French, University of Miami, Department of Sociology

- ***The Economic Impact of Early Release of Nonviolent and Drug Offenders from Prison*** (Gary A. Zarkin, RTI International, Alexander J. Cowell, RTI International, Katherine A. Hicks, RTI International, Laura J. Dunlap, RTI International, Michael Mills, RTI International, Vincent Keyes, RTI International, Steven Belenko, Temple University, and Kimberly A. Houser, Temple University)
- ***Does Participation in 12-Step Programs Reduce Medical Utilization Costs among Adolescents with a History of Chemical Dependency Treatment?*** (Marlon P. Mundt, University of Wisconsin-Madison)
- ***A Web Survey for Drug Treatment Service Costing*** (Laura J. Dunlap, Gary A. Zarkin, Natalie B. Hodges, RTI International)
- ***The Economic Costs of Quarterly Monitoring and Recovery Management Checkups for Adults with Chronic Substance Use Disorders*** (Michael L. Dennis, Chestnut Health Systems, Michael T. French, University of Miami, Kathryn E. McCollister, University of Miami, and Christy K. Scott, Chestnut Health Systems)

B. Implementing HIV Counseling and Testing in Drug Treatment: Lessons Learned from CTN 0032 (*Bluegrass Salon B*)

Chair: P. Todd Korthuis, Oregon Health & Science University

Discussant: Raul Mandler, National Institute on Drug Abuse

- ***Overview: HIV Testing and Counseling in Substance Abuse Treatment Centers*** (James L. Sorensen, University of California, San Francisco, Grant Colfax, San Francisco Department of Public Health, P. Todd Korthuis, Oregon Health and Science University, Louise Haynes, Lexington/Richland Alcohol and Drug Abuse Council, Dan Feaster, University of Miami, Susan Tross, Columbia University, Raul Mandler, National Institute on Drug Abuse, L Gooden, University of Miami, T. Matheson, San Francisco City & County, and Lisa Metsch, University of Miami)
- ***HIV and Hepatitis C (HCV) Testing Among Drug Treatment Patients*** (Lisa Metsch, University of Miami Miller School of Medicine, Dan Feaster, University of Miami Miller School of Medicine, Lauren Gooden, University of Miami Miller School of Medicine, Tim Matheson, San Francisco Department of Public Health, Raul Mandler, National Institute on Drug Abuse, Susan Tross, Columbia University, Louise Haynes, Lexington/Richland Alcohol and Drug Abuse Council, Antoine Douaihy, University of Pittsburgh School of Medicine, Western Psychiatric Institute and Clinic, Moupali Das-Douglas, University of California, San Francisco, Tiffany Kyle, The Center for Drug-Free Living, Inc., Todd Korthuis, Oregon Health and Science University, Robert Schwartz, Friends Research Institute, Inc., Sarah Erickson, University of New Mexico, Ned Snead, Chesterfield

Substance Abuse Services, James Sorensen, University of California, San Francisco, and Grant Colfax, San Francisco Department of Public Health)

- **Hepatitis C Awareness and Risky Injection Behaviors among Injection Drug Users in Treatment** (P. Todd Korthuis, Oregon Health and Science University, Dan Feaster, University of Miami Miller School of Medicine Z Gomez, University of Miami Miller School of Medicine, M Das-Douglas, University of California, San Francisco, Susan Tross, 4Columbia University, K Wiest, CODA, Antoine Douaihy, University of Pittsburgh School of Medicine, Western Psychiatric Institute and Clinic Raul N. Mandler, National Institute on Drug Abuse, James L. Sorensen, University of California, San Francisco, Grant Colfax, San Francisco Department of Public Health, Pat E Penn, La Frontera, D Lape, CODA, and Lisa Metsch, University of Miami Miller School of Medicine)
- **Adoption of HIV Counseling and Testing Following Completion of Randomized Clinical Trial** (Louise Haynes, Psychiatry and Behavioral Sciences, Medical University of South Carolina, B Holmes, Lexington Richland Alcohol and Drug Abuse Council, and Lisa Metsch, University of Miami Miller School of Medicine)

C. National Dissemination and Evaluation of Adolescent Treatment and Post-Treatment Recovery Support (*Blackberry Lilly Room*)

Chair and Discussant: Mark Godley, Chestnut Health Systems

- **A National Effort to Disseminate Evidence Based Treatment for Adolescents with Substance Use Disorders** (Mark D. Godley, Susan H. Godley, Robert J. Meyers, Jane E. Smith, and Bryan R. Garner, Chestnut Health Systems; University of New Mexico)
- **Performance Measures among Adolescent Substance Abuse Treatment Programs: Data from a Large Evidence-Based Practice Initiative** (Deborah W. Garnick, Margaret T. Lee, Grant A. Ritter, Bryan R. Garner, Mark D. Godley, Rodney R. Funk, Lee Panas, Andrea Acevedo, and Peggy L. O'Brien, Brandeis University; Chestnut Health Systems)
- **The Reinforcing Therapist Performance (RTP) Experiment: Preliminary Cost Findings** (Donald S. Shepard, Aung K. Lwin, Gail K. Strickler, Christiana Atuaka, & Bryan R. Garner, Brandeis University; Chestnut Health Systems)
- **Preliminary Process and Outcome Data for the Recovery Services for Adolescents and Families (RSAF) Project** (Lora L. Passeti and Mark D. Godley, Chestnut Health Systems)

D. Transforming Addiction Treatment: The Use of Process Improvement to Drive Organizational Change (*Triple Crown Room*)

Chair: David Gustafson, University of Wisconsin-Madison

Discussant: Tom Hilton, National Institute on Drug Abuse

- **NIATx 200: Preliminary Waiting Time Analysis** (David Gustafson, University of Wisconsin-Madison, Jay Ford, University of Wisconsin-Madison, Andrew Quanbeck, University of Wisconsin-Madison, Dennis McCarty, Oregon Health & Science University, Jim Robinson, University of Wisconsin-Madison, and Alice Pulvermacher, University of Wisconsin-Madison)
- **6,682 Calls for Help: Lessons Learned from "Mini Walkthroughs" of Addiction Providers' Intake Systems** (Andrew Quanbeck, Anna Wheelock, Jay Ford, Jim Robinson, Alice Pulvermacher, and David Gustafson, University of Wisconsin-Madison)
- **Advancing Recovery: Implementing Medication and Continuing Care for Addiction Treatment** (Dennis McCarty, Oregon Health & Science University, Amanda Abraham, University of Georgia, Victor Capoccia, University of Wisconsin-Madison, David Gustafson, University of Wisconsin-Madison, Traci Rieckmann, Oregon Health & Science University, Paul Roman, University of Georgia, & Laura Schmidt, University of California, San Francisco)
- **The Accelerating Reform Initiative: An Evaluation of Readiness to Change** (Kyle L. Grazier, University of Michigan)

E. Addiction Health Services Research in Emergency Medical Settings (*Crimson Clover Room*)

Chair and Discussant: Amy Knowlton, Johns Hopkins Bloomberg School of Public Health

- **The Impact of Emergency Department-based Alcohol Interventions on Intimate Partner**

Violence (Esther Choo and Janette Baird, Rhode Island Hospital / Department of Emergency Medicine)

- **Emergency Care Alternative for Intoxicated Patients Presenting to Emergency Medical Technicians (EMTs)** (Nickolas Zaller, The Alpert Medical School of Brown University, Department of Medicine, Nina Karlsen-Ayala, The Alpert Medical School of Brown University, Department of Medicine, Benjamin Schnapp, The Alpert Medical School of Brown University, Department of Medicine, and Kenneth Williams, The Alpert Medical School of Brown University, Department of Emergency Medicine)
- **Emergency Medical Services Naloxone Administration: Opportunity for Opiate Overdose Surveillance and Intervention** (Amy Knowlton, Johns Hopkins Bloomberg School of Public Health, Brian Weir, Johns Hopkins Bloomberg School of Public Health, Frank Hazzard, Baltimore City Fire Department, Yngvild Olsen, Baltimore Substance Abuse Systems, Inc., and Carl Latkin, Johns Hopkins Bloomberg School of Public Health)
- **Can the Costs of SBIRT Services Delivered in an Emergency Department be Covered through Third Party Billing and Reimbursement?** (Aaron Johnson, Paul Seale, and John Boltri, Mercer University School of Medicine/Medical Center of Central Georgia)

12:30-1:45 PM: Lunch

Lunch will be served on the 2nd floor in the Foyer area outside the Grand Kentucky Ballroom. Seating is available in the Grand Kentucky Ballroom.

12:45-1:45 PM: Plenary Address (Grand Kentucky Ballroom)
Wilson M. Compton, MD, MPE, Director
Division of Epidemiology, Services and Prevention Research
National Institute on Drug Abuse

2:00-3:30 PM: Breakout Session 3

A. **New Technologies for Health Care Reform: Treating Alcohol Use Disorders** (Bluegrass Salon A)

Chair and Discussant: Cherry Lowman, National Institute on Alcohol Abuse and Alcoholism/Division of Treatment and Recovery Research

- **The Drinker's Check-ups: Computer-based, Self-directed Brief Motivational Interventions** (Reid K. Hester, Behavior Therapy Associates, LLP)
- **"Christy Johnson": Alcohol Screening and Brief Intervention Simulation** (Laura Boteler and Dale Olsen, SIMmersion LLC)
- **A Randomized Trial Examining Impact of Mobile Health Systems on Relapse Prevention** (David H. Gustafson, University of Wisconsin-Madison)
- **Virtual Reality Applications for Alcohol and Drug Abuse** (Patrick S. Bordnick, Virtual Reality Clinical Research Lab, Child and Family Center for Innovative Research, Graduate College of Social Work, University of Houston)

B. **Contingency Management in Justice Settings: Results from a Multi-Site Trial and Implementation Study** (Bluegrass Salon B)

Chair and Discussant: Faye S. Taxman, George Mason University/Criminology, Law and Society Research Offices

- **Collaborative Behavioral Management Reduces Drug-Related Crime, Substance Use among Drug-Involved Parolees** (Peter Friedmann, Providence VA Medical Center and Rhode Island Hospital & Brown Medical School, M. Harrington, Rhode Island Hospital & Brown Medical School, T.C. Green, Rhode Island Hospital & Brown Medical School, Anne G. Rhodes, George Mason University, Faye S. Taxman, George Mason University, for the Step'n Out Research Group of CJ-DATS)

- ***Contingency Management in Justice Settings: Mapping to Collaborative Behavioral Management Reduces Drug-Related Crime, Substance Use among Drug-Involved Parolees*** (Faye Taxman, George Mason University, and Maxine Stitzer, Johns Hopkins University, for the JSTEPS Study Group of CJ-DATS)
- ***Contingency Management in Justice Settings: Early Results from a Baseline Survey of Five Federal Jurisdictions*** (A. Murphy, A. & Faye S. Taxman, George Mason University)
- ***Loose Coupling and CM Evidence-Based Practices in Probation*** (Danielle S. Rudes and Shannon Portillo, George Mason University)

C. Using Incentives to Drive Performance (*Crimson Clover Room*)

Chair: Constance M. Horgan, Brandeis University, Heller School for Social Policy and Management;
Moderator: Sarah Duffy, National Institute on Drug Abuse

- ***Building a Statewide Performance-Oriented System of Care: Paying for Performance in Substance Abuse Treatment*** (Constance M. Horgan, Brandeis University, Heller School for Social Policy and Management)
- ***Relationship between Program Characteristics and Response to Performance Contracting in Outpatient Substance Abuse Treatment Programs in Delaware*** (Maureen T. Stewart, Brandeis University, Heller School for Social Policy and Management, Constance M. Horgan, Brandeis University, Deborah W. Garnick, Brandeis University, Grant Ritter, Brandeis University, and Thomas McLellan)
- ***Performance Contracting to Engage Detoxification-Only Patients into Continued Rehabilitation*** (Sean J. Haley, Brooklyn College, City University of New York)
- ***The Reinforcing Therapist Performance (RTP) Experiment: Preliminary Effectiveness Results*** (Bryan R. Garner, Chestnut Health Systems, Susan H. Godley, Chestnut Health Systems, Mark D. Godley, Chestnut Health Systems, and Michael L. Dennis, Chestnut Health Systems)
- ***Pay for Performance Pilot with Drug Court Providers in New Jersey*** (Raquel Mazon Jeffers, New Jersey Department of Human Services)

D. Clinicians and the Implementation of Evidence-Based Practices (*Triple Crown Room*)

Chair and Discussant: Joseph Gudysh, PRL Institute for Health Policy Studies, University of California, San Francisco

- ***The Relationship of Counselor-Level Variables to Intervention Adoption*** (Joseph Gudysh, PRL Institute for Health Policy Studies, University of California, San Francisco, Holly Fussell, Department of Public Health and Preventive Medicine, Oregon Health & Sciences University, Sarah Turcotte Manser, PRL Institute for Health Policy Studies, University of California, San Francisco, Lynn Kunkel, Department of Public Health and Preventive Medicine, Oregon Health & Science University, Mable Chan, PRL Institute for Health Policy Studies, University of California, San Francisco, and Dennis McCarty, Department of Public Health and Preventive Medicine, Oregon Health & Science University)
- ***Do Perceptions of Barriers to Evidence-Based Practices (EBPs) Vary by EBP? Addiction Treatment Staff Attitudes about Implementing Motivational Interviewing Compared to Other EBPs*** (Maryann Amodeo, Lena Lundgren, Alexander Cohen, Dylan Rose, Deborah Chassler, Clelia Beltrame, and Mindy D'Ippolito, Boston University School of Social Work/Center for Addictions Research and Services)
- ***Treatment Practices in Community Settings: The Role of Practitioner Beliefs and Organizational Conditions*** (Brenda Smith, University of Alabama/School of Social Work and Irene Manfredi, University at Albany/School of Social Welfare)
- ***Community Based Addiction Treatment Director and Staff Attitudes about Evidence Based Treatment and Organizational Linkages to Research Institutions*** (Ivy Krull, Boston University, School of Social Work, Lena Lundgren, Boston University, School of Social Work, and Lisa de Saxe Zerden, University of North Carolina, Chapel Hill, School of Social Work)
- ***Social Workers' Knowledge, Opinions, and Adoption of Pharmacological Treatment for***

Substance Use Disorders (Brian Bride, Amanda Abraham, Sara Kintzle, and Paul Roman, University of Georgia)

E. Health Services Research on HIV (*Blackberry Lilly Room*)

Chair and Discussant: Kathryn Saulsgiver, University of Vermont

- **Evaluation of a HIV/Hepatitis C Educational Intervention in an Outpatient Buprenorphine Taper for Prescription-Opioid Abusers** (Kathryn Saulsgiver, University of Vermont, Kelly Dunn, Johns Hopkins University School of Medicine, Mollie Patrick, University of Vermont, Stacey Sigmon, University of Vermont, and Stephen Higgins, University of Vermont)
- **It's Not What They Learn, but How: Assessing HIV Prevention Efficacy by Different Learning Styles** (Daniel O'Connell, Steven Martin, Hilary Surratt, Holly Swan, and Christy Visser, Center for Drug and Alcohol Studies, University of Delaware)
- **HIV Policies and Practices in Correctional Agencies and Facilities in the CJDATS 2 Research Cooperative** (Matthew Hiller, Temple University/Department of Criminal Justice, Steven Belenko, Temple University/Department of Criminal Justice, Christy Visser, University of Delaware/Center on Drug and Alcohol Studies, and The CJDATS2 HIV Work Group)
- **HIV/AIDS-Related Health Services in Substance Abuse Treatment Programs** (Steven Kritz, Addiction Research and Treatment Corporation, Lawrence Brown, Addiction Research and Treatment Corporation, Edmund BiniJim Robinson, Nathan Kline Institute, and John Rotrosen, NYU College of Medicine)

3:30-3:45 PM: Poster Set-up (*Grand Kentucky Ballroom*)

Please see Pages 13-23 for specific poster numbers. Poster boards are 4'x8' and push-pins will be provided.

3:45-5:45 PM: Poster and Technology Demonstration Session (*Grand Kentucky Ballroom*)

Please see Pages 13-23 for specific poster numbers. Odd-numbered posters will be presented from 3:45-4:45 PM and even-numbered posters will be presented from 4:45-5:45 PM. A cash bar will be available. If you are a poster presenter, please take down your poster at the end of the session.

Wednesday, October 27

7:00 AM-2:00 PM: Registration

Conference Registration is located on the 2nd floor of the Hilton at the top of the escalator. All meeting rooms are also on the 2nd floor.

7:00-9:30 AM: Breakfast

Breakfast will be served on the 2nd floor in the Foyer area outside the Grand Kentucky Ballroom. Seating is available in the Grand Kentucky Ballroom.

7:00-8:00 AM: AHSR 2011 Hand-Off Meeting (*Arabian Room*)

This closed meeting will bring together the 2010 planning team, the 2011 planning team, and federal partners. Please pick up your breakfast in the Foyer to bring to the meeting.

8:30-9:30 AM: Plenary Address - Health Care Reform: Implications for the NIAAA Health Services Research Agenda (*Grand Kentucky Ballroom*)
Kenneth R. Warren, PhD, Acting Director
National Institute on Alcohol Abuse and Alcoholism

9:30-11:00 AM: Breakout Session 4

A. Closing the Addiction Treatment Gap: Preliminary Findings and Lessons (*Crimson Clover Room*)

Chair: Mary Jo Larson, Brandeis University

Discussant: Kima Joy Taylor, Open Society Institute

- **Advocating Expanded Treatment When the Political Landscape Changes** (Angela W. Walter, Laura Lorenz, Mary Brolin, and Margot Davis, Institute for Behavioral Health, Heller School for Social Policy and Management, Brandeis University)
- **Using Holistic and Integrated Communication Strategies to Expand Addiction Treatment: Implications and Lessons Learned** (Laura Lorenz, Mary Brolin, Elizabeth Fischer, Institute for Behavioral Health, Heller School for Social Policy and Management, Brandeis University, and Amanda Deaver, Prism Public Affairs)
- **A Data-Driven Framework for Sustainable Policy Changes for Expanded Addiction Treatment** (Mary Jo Larson, Gail Strickler, Mary Brolin, Institute for Behavioral Health, Heller School for Social Policy and Management, Brandeis University, and Suzanne Fields, Technical Assistance Collaborative)
- **Lessons Learned when Attempting to Leverage Medicaid to Close the Addiction Treatment Gap** (Mary Jo Larson, Heller School for Social Policy and Management, Brandeis University, Suzanne Fields, Technical Assistance Collaborative, Gail Strickler, Mary Brolin, and Margot Davis, PhD, Heller School for Social Policy and Management, Brandeis University)

B. Advances in How to Measure and Estimate the Effectiveness of Substance Abuse Treatment (*Bluegrass Salon A*)

Chair: Beth Ann Griffin, RAND Corporation

Discussant: Tom Hilton, National Institute on Drug Abuse

- **Are We Measuring and Estimating Substance Abuse Treatment Effects Correctly?** (Rajeev Ramchand, RAND Corporation)
- **Benefits of Treatment during Treatment: Estimating Concurrent Effects** (Beth Ann Griffin, RAND Corporation)
- **Accurately Assessing Treatment Effects for Group Therapy under Open Enrollment Using Multilevel Modeling** (Susan Paddock, RAND Corporation)
- **Development and Evaluation of a Smoking Module for PROMIS™** (Maria Edelen, Joan Tucker, and William Shadel, RAND Corporation)
- **The Promise of PROMIS™ and Policy Implications to Measuring Treatment Effectiveness Correctly** (Thomas Hilton, National Institute on Drug Abuse)

C. Organizational Characteristics Affecting Behavioral Health and Service Delivery (*Bluegrass Salon B*)

Chair: Patrick M. Flynn, Institute of Behavioral Research, Texas Christian University

Discussant: Hannah Knudsen, University of Kentucky

- **Organizational Readiness for Change in Correctional Substance Abuse Treatment Settings** (Wayne E. K. Lehman & Jack M. Greener, Institute of Behavioral Research, Texas Christian University)
- **The Influence of Perceived Program Needs and Change Orientation on Counselors' Decisions to Quit** (Danica K. Knight, Brittany K. Landrum, Jennifer R. Edwards, J.R., & Patrick M. Flynn, Institute of Behavioral Research, Texas Christian University)
- **Facilitating Innovation Adoption through Leadership and Change-Oriented Climate** (Jennifer R. Edwards, Danica K. Knight, & Patrick M. Flynn, Institute of Behavioral Research, Texas Christian University)
- **Organizational Attributes and Their Impact on Client Engagement** (Brittany K. Landrum, Danica K. Knight, & Patrick M. Flynn, Institute of Behavioral Research, Texas Christian University)

D. Implementation Science in Addiction Treatment: Co-occurring Substance Use and Psychiatric Disorders (*Blackberry Lilly Room*)

Chair: Mark P. McGovern, Dartmouth Medical School/Department of Psychiatry

Discussant: Tom Brady, National Institute on Drug Abuse

- ***DDCAT Results for Publicly Funded AOD Treatment Programs in Los Angeles County*** (Desirée A. Crèvecoeur-MacPhail, Richard Rawson, Ana Ceci, Loretta Ransom, and Christine Grella, University of California, Los Angeles)
- ***Staff Turnover and Change in Co-Occurring Capability*** (Ron Claus, Steven Winton, Edward Riedel, and Rachel Christiansen, Missouri Institute of Mental Health, University of Missouri)
- ***Using NIATx Process Improvement Technology to Enhance Addiction Treatment Services for Persons with Co-occurring Disorders: Results from a State of Washington Pilot*** (James H. Ford II, University of Wisconsin-Madison, Janet Bardossi, Bardossi & Associates, Inc., Deanna Vandersloot, Northwest Frontier ATTC, and Alice Pulvermacher, University of Wisconsin-Madison)
- ***Addiction Treatment Services for Persons with Co-occurring Disorders: Strategies Associated with Program Implementation*** (Mark P. McGovern and Chantal Lambert-Harris, Department of Psychiatry, Dartmouth Medical School)

E. Using Technology to Improve Addiction Health Services (*Triple Crown Room*)

Chair and Discussant: Steven Kritz, Addiction Research and Treatment Corporation

- ***Computer-Delivered Psychosocial Treatment for Offenders with Substance Use Disorders*** (Michael Chaple, National Development & Research Institute, Inc., Stanley Sacks, National Development & Research Institutes, Inc., and Lisa Marsch, National Development & Research Institutes, Inc.)
- ***The Learning Informatics Model: Using Handheld Computers and Digital Video to Integrate SBIRT into Mainstream Clinical Environments*** (Ian Aronson, Behavioral Science Training in Drug Abuse Research, NDRI, and Theodore Bania, St. Luke's-Roosevelt Hospital/Emergency Department)
- ***An Intervention to Increase Alcohol Treatment Engagement: A Pilot Trial*** (Tracy Stecker, Dartmouth Medical School/ Family and Community Medicine, and Beverly Herr, Dartmouth Medical School)
- ***Implementation of an Electronic Information System to Enhance Practice at an Opioid Treatment Program*** (Steven Kritz, Lawrence Brown, Melissa Chu, and Roberto Zavala, Addiction Research and Treatment Corporation)

11:00-11:15 AM: Break

11:15 AM-12:45 PM: Breakout Session 5

A. Performance Measures for Substance Use Disorders – Developing a Research Agenda (*Triple Crown Room*)

Chair: Deborah W. Garnick, Institute for Behavioral Health, Brandeis University

Moderator: Redonna Chandler, National Institute on Drug Abuse

- ***Context of Performance Measurement in 2010*** (Connie M. Horgan, Institute for Behavioral Health, The Heller School for Social Policy and Management, Brandeis University)
- ***Performance Measures for Substance Use Disorders – Suggestions from an Expert Panel*** (Deborah W. Garnick, Connie M. Horgan, and Andrea Acevedo, Institute for Behavioral Health, The Heller School for Social Policy and Management, Brandeis University)
- ***Differences in Early and Late Adopters of New Performance Management Technologies by Substance Abuse Treatment Agencies*** (Scott Novak, RTI International, Deepa Avula, CSAT/SAMHSA, William Savage, RTI International, Deborah Garnick, Brandeis University, Margot Davis, Brandeis University, Sara Calvin, RTI International, David Uglow, RTI International)
- ***Developing Performance Measures: Views from NCQA On Critical Junctures In***

Development, Endorsement And Implementation (R.C. Saunders, and S. S. Scholle, National Committee on Quality Assurance)

- **View from the Field: Implementation of Performance Measures in Massachusetts** (Michael Botticelli, and A. Hanchett, Massachusetts Department of Public Health, Bureau of Substance Abuse Services)

B. Substance Abuse Policy and the Role of Incentives (*Bluegrass Salon A*)

Chair and Discussant: Michael T. French, Department of Sociology, University of Miami

- **Smoking, Self-control and Policy Responses: Taxes and Smoking Bans** (Jody Sindelar, Yale School of Public Health, and Padmaja Ayyagari, Yale School of Public Health)
- **Price Elasticity of Demand for Substance Abuse Treatment among a Sample of Low-Income Adults** (Kathryn E. McCollister, University of Miami Miller School of Medicine, Michael T. French, University of Miami, Jeffrey M. Pyne, University of Arkansas for Medical Sciences, Richard C. Rapp, Wright State University, and Jody L. Sindelar, Yale School of Public Health)
- **Altered State: Assessing How Marijuana Legalization in California Could Influence Consumption and Budget Revenues** (Beau Kilmer, RAND Drug Policy Research Center (DPRC), Rosalie Liccardo Pacula, RAND DPRC, Jonathan Caulkins, Carnegie Mellon University and RAND DPRC, Rob MacCoun, University of California, Berkeley, and RAND DPRC, and Peter Reuter, University of Maryland and RAND DPRC)
- **Do Research Payments Increase Perceived Coercion? Initial Results of a Novel Financial Incentive Coercion Assessment Tool** (Margaret M. Byrne, University of Miami, Jason R. Croft, Treatment Research Institute, Michael T. French, University of Miami, Karen L. Dugosh, Treatment Research Institute, David S. Festinger, Treatment Research Institute)

C. Internet-Delivered Treatment for Substance Use and Other Disorders (*Bluegrass Salon B*)

Chair and Discussant: William W. Stoops, University of Kentucky College of Medicine

- **Contingency Management in a Digital Age: Technological Innovations to Promote Smoking Cessation** (Jesse Dallery, University of Florida and National Development and Research Institutes)
- **Web-based Contingency Management with Adolescent Smokers of Rural Appalachian Ohio** (Brady Reynolds, Research Institute at Nationwide Children's Hospital & The Ohio State University, and Jesse Dallery, University of Florida)
- **Developing a Web-Based Intervention for Adolescents with Substance Use Disorders** (Michelle C. Acosta, Center for Technology and Health, National Development and Research Institutes, Lisa A. Marsch, Center for Technology and Health, National Development and Research Institutes, Susan H. Godley, Lighthouse Institute, Chestnut Health Systems, and Yifrah Kaminer, Alcohol Research Center, University of Connecticut Health Center)
- **Extending an Internet-based Contingency Management Intervention to Blood Glucose Monitoring in Non-adherent Adolescents Diagnosed with Type 1 Diabetes** (Bethany R. Raiff, National Development and Research Institutes & Jesse Dallery, University of Florida)

D. Improving the Delivery of Medication-Assisted Treatment (*Crimson Clover Room*)

Chair and Discussant: Jennifer Havens, University of Kentucky, Department of Behavioral Science

- **Physician Management with and without Cognitive Behavioral Therapy in Primary Care-based Buprenorphine/naloxone** (Christopher Cutter, Yale University, School of Medicine/ Internal Medicine, Lynn Sullivan, Yale University, School of Medicine/ Internal Medicine, Declan Barry, Yale University, School of Medicine/ Psychiatry, Brent Moore, Yale University, School of Medicine/Psychiatry, Patrick O'Connor, Yale University, School of Medicine, Internal Medicine, Richard Schottenfeld, Yale School of Medicine/Department of Psychiatry, and David Fiellin, Yale School of Medicine/Department of Internal Medicine)
- **Does Counseling or Psychotherapy Reduce Relapse Rates for Buprenorphine Patients?** (Robin Clark, Mihail Samnaliev, and Bruce Barton, Center for Health Policy and Research, University of Massachusetts Medical School)
- **Prevalence and Correlates of Illicit Buprenorphine Use among Rural Appalachian Drug**

Users (Jennifer Havens, University of Kentucky Department of Behavioral Science, Carrie Oser, University of Kentucky Department of Sociology, Rick Crosby, University of Kentucky Department of Health Behavior, Carl Leukefeld, University of Kentucky Department of Behavioral Science)

E. Incorporating the PROMIS™ Measures in Health Services Research: An Opportunity to Meet with NIDA's Dr. Tom Hilton, NIH Science Officer for PROMIS™ (Blackberry Lilly Room)

The PROMIS™ measures offering an exciting opportunity for addiction health services researchers. This breakout session is intended to offer the opportunity to engage in an interactive discussion about how the PROMIS™ measures can be used in health services research with Dr. Tom Hilton from NIDA.

12:45-2:00 PM: Networking Lunch

Lunch will be served on the 2nd floor in the Foyer area outside the Grand Kentucky Ballroom. Seating is available in the Grand Kentucky Ballroom. We hope that the presentations at this year's conference have sparked ideas for new research and that this time can be used to expand upon collaborations within our community of investigators who conduct addiction health services research.

2:00 PM: Conference Adjourns

POSTER AND TECHNOLOGY DEMONSTRATION SESSION

Tuesday, October 26, 2010

All posters should be hung by 3:45 PM

Odd Numbers Present from 3:45-4:45 PM

Even Numbers Present from 4:45-5:45 PM

TECHNOLOGY DEMONSTRATIONS

A. *The Drinker's Check-ups: Computer-based, Self-directed Brief Motivational Interventions*

Reid K. Hester, Behavior Therapy Associates, LLP

B. *"Christy Johnson": Alcohol Screening and Brief Intervention Simulation*

Laura Boteler, SIMmersion LLC

Dale Olsen, SIMmersion LLC

C. *Mobile Health Systems for Relapse Prevention*

David H. Gustafson, University of Wisconsin-Madison

D. *Virtual Reality Applications for Alcohol and Drug Abuse*

Patrick S. Bordnick, Virtual Reality Clinical Research Lab, Child and Family Center for Innovative Research, Graduate College of Social Work, University of Houston

POSTERS

1. *Associations Between Drug Abuse Treatment Outcome for Two Models for Organizational Assessment*

Robert L. Stout, Pacific Institute for Research and Evaluation, Decision Sciences Institute

Karen Friend, Pacific Institute for Research and Evaluation, Decision Sciences Institute

William Zywiak, Pacific Institute for Research and Evaluation, Decision Sciences Institute

2. *Substance-Related Perceptions and Behaviors of DUI Offenders with and without Additional Drug Charges*

Nesa Wasarhaley, University of Kentucky, Center on Drug and Alcohol Research

Megan Dickson, University of Kentucky, Center on Drug and Alcohol Research

J. Matthew Webster, University of Kentucky, Center on Drug and Alcohol Research

3. *Improving Substance Abuse Treatment Outcomes: The Role of Race and Legal Coercion*

Alexandra Duncan, National Development and Research Institutes

4. *Contribution of Legal Involvement to Perceived Need for Alcohol Treatment*

Brenda Booth, University of Arkansas for Medical Sciences, Department of Psychiatry

Mark Edlund, University of Arkansas for Medical Sciences, Department of Psychiatry

Xiaotong Han, University of Arkansas for Medical Sciences, Department of Psychiatry

5. *Predicting Treatment Entry among Opioid-Dependent Adults in Baltimore, Maryland*

Sharon Kelly, Friends Research Institute

Kevin E. O'Grady, University of Maryland, College Park

Shannon G. Mitchell, Friends Research Institute

Robert P. Schwartz, Friends Research Institute

Barry S. Brown, Friends Research Institute; University of North Carolina, Wilmington

6. ***Problem Recognition and Readiness to Change among DUI Offenders in Rural Appalachian Kentucky***
Megan Dickson, University of Kentucky, Center on Drug and Alcohol Research
Nesa Wasarhaley, University of Kentucky, Center on Drug and Alcohol Research
J. Matthew Webster, University of Kentucky, Center on Drug and Alcohol Research

7. ***Differences between Drug-impaired Drivers and Alcohol-impaired Drivers in a Statewide DUI Offender Population***
Matthew Webster, University of Kentucky, Center on Drug and Alcohol Research
Nesa Wasarhaley, University of Kentucky, Center on Drug and Alcohol Research
Megan Dickson, University of Kentucky, Center on Drug and Alcohol Research
Jamieson Duvall, University of Kentucky, Center on Drug and Alcohol Research

8. ***Drug Court Effectiveness: A Retrospective Matched Cohort Study***
Randall Brown, University of Wisconsin School of Medicine & Public Health/Family Medicine

9. ***Participant Outcomes and Lessons Learned from Implementing Assertive Community Treatment in Two Rural Drug Court Programs***
Lisa Shannon, University of Kentucky/Behavioral Science Center on Drug and Alcohol Research
Connie Neal, Administrative Office of the Courts
Julie Schaefer, University of Kentucky, Center on Drug and Alcohol Research
Allison Mateyoke-Scrivner, University of Kentucky, Center on Drug and Alcohol Research

10. ***Examining Outcomes Associated with a Drug Court Employment Intervention***
Julie Schaefer, University of Kentucky, Center on Drug and Alcohol Research
Lisa Shannon, University of Kentucky, Center on Drug and Alcohol Research
Allison Mateyoke-Scrivner, University of Kentucky, Center on Drug and Alcohol Research
Connie Neal, University of Kentucky, Center on Drug and Alcohol Research
Shelia Hulbig, University of Kentucky, Center on Drug and Alcohol Research

11. ***Re-Entry Modified Therapeutic Community: Crime Outcomes at 12 Month Post Prison Release***
Stanley Sacks, National Development & Research Institutes, Inc.
JoAnn Sacks, National Development & Research Institutes, Inc.
Karen McKendrick, National Development & Research Institutes, Inc.
Michael Chaple, National Development & Research Institutes, Inc.
Charles Cleland, National Development & Research Institutes, Inc.

12. ***Health Problems and Service Utilization among Rural Re-entering Offenders with a History of Hazardous Drinking***
Michele Staton-Tindall, University of Kentucky, College of Social Work
J. Matthew Webster, University of Kentucky, Department of Behavioral Science
Carl Leukefeld, University of Kentucky, Department of Behavioral Science
Becky Freeman, University of Kentucky, College of Social Work

13. ***Gender Differences at Admission in Health, Trauma, and HIV/Hepatitis Risk in a Sample of Incarcerated Substance Abusers***
Grace Rowan-Szal, Texas Christian University, Institute of Behavioral Research
George Joe, Texas Christian University, Institute of Behavioral Research
Kevin Knight, Texas Christian University, Institute of Behavioral Research
Wayne Lehman, Texas Christian University, Institute of Behavioral Research

14. ***Interagency Activities between Single State Authorities and Departments of Corrections in the Treatment of Offenders within the Community***
Sheryl Pimlott Kubiak, Michigan State University
Liz Tillander, Michigan State University
Cynthia L. Arfken, Wayne State University

15. *The Relevance of Family Structure on Sexual Attitudes and Behaviors among African American Women*

Jenny Mooney, University of Kentucky, Center on Drug and Alcohol Research
Carrie Oser, University of Kentucky, Center on Drug and Alcohol Research
Jamieson Duvall, University of Kentucky, Center on Drug and Alcohol Research
Jennifer Havens, University of Kentucky, Center on Drug and Alcohol Research
Michele Staton-Tindall, University of Kentucky, College of Social Work
Carl Leukefeld, University of Kentucky, Center on Drug and Alcohol Research
Brea Perry, University of Kentucky, Department of Sociology

16. *Decision-making Factors Regarding HIV Testing among Rural African American Cocaine Users*

Patricia Wright, University of Arkansas for Medical Sciences, Fay W. Boozman College of Public Health
Katharine Stewart, University of Arkansas for Medical Sciences, Fay W. Boozman College of Public Health
Geoffrey M. Curran, University of Arkansas for Medical Sciences College of Medicine, Department of Psychiatry
Sandra Walker, University of Arkansas for Medical Sciences, Fay W. Boozman College of Public Health
Brenda Booth, University of Arkansas for Medical Sciences College of Medicine, Department of Psychiatry

17. *Gender, Power, and the Risk of Hepatitis C Infection*

Laura Monico, University of Delaware, Department of Sociology and Criminal Justice
Holly Swan, University of Delaware, Department of Sociology and Criminal Justice

18. *Injection Initiation in Intimate Partnerships: Intervention Strategies for Addiction Specialists*

Janie Simmons, National Development and Research Institutes
James McMahon, University of Rochester Medical Center, School of Nursing
Sonali Rajan, National Development and Research Institutes

19. *“Still I Rise”: The Effects of Racism, Sexism, and Stressors across Multiple Life Domains on African American Women’s Mental Health*

Brea Perry, University of Kentucky, Department of Sociology
Kathi Harp, University of Kentucky, Department of Sociology/Center on Drug & Alcohol Research
Justin McGahan, University of Kentucky, Department of Sociology
Carrie Oser, University of Kentucky, Department of Sociology/Center on Drug and Alcohol Research

20. *The Impact of Social and Emotional Isolation on Risky Behaviors among Women Injection Drug Users in Portland, OR*

Anandam Hilde, Oregon Health & Science University, Department of Public Health & Preventive Medicine
Jodi Lapidus, Oregon Health & Science University, Department of Public Health & Preventive Medicine
Nick Gideonse, Oregon Health & Science University, Department of Family Medicine

21. *Nutrition Assistance Program and Impacts on Alcohol Use among Low-Income Women*

Ning Zhang, University of Rochester School of Medicine, Department of Community and Preventive Medicine
Eric Caine, University of Rochester School of Medicine, Department of Psychiatry
Helena Temkin-Greener, University of Rochester School of Medicine, Department of Community and Preventive Medicine

22. *Examining the Impact of a Research-Based Curriculum on University Students’ Knowledge and Stigmatizing Attitudes Related to FASDs and Alcohol Use among Women of Childbearing Age*

Nancy Roget, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies
Joyce Hartje, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies
Michelle Berry, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies

23. Outreach Service Encounters Associated with Reduction in Days Using Illegal Drugs in a Puerto Rican Drug-Using Sample

Veronika Ancukiewicz, Boston University, School of Social Work, Center for Addictions Research & Services
Lena Lundgren, Boston University, School of Social Work, Center for Addictions Research & Services
Deborah Chassler, Boston University, School of Social Work, Center for Addictions Research & Services
Steven Garte-Wolf, Boston University, School of Social Work, Center for Addictions Research & Services

24. Correlates of HIV Knowledge, Perceived Risk, Prior HIV Testing, and Risky Sexual Behavior among African American Female Drug Users

Danelle Stevens-Watkins, Spalding University, School of Professional Psychology
Venice Anderson, Spalding University, School of Professional Psychology
Carrie Oser, University of Kentucky, Department of Sociology/Center for Drug & Alcohol Research

25. Comparison of Interventions for Reduction of HCV and HIV Risk Behaviors

Karen Corsi, University of Colorado Denver School of Medicine, Department of Psychiatry
Sung-Joon Min, University of Colorado Denver School of Medicine, Department of Medicine
Mark S. Royer, University of Colorado Denver School of Medicine, Department of Psychiatry
Robert Booth, University of Colorado Denver School of Medicine, Department of Psychiatry

26. Controlled Substance Policy at HIV Clinic: Integration and Implementation

Cynthia Arfken, Wayne State University
Lori Zeman, Wayne State University
Carl Christensen, Wayne State University
Jonathan Cohn, Wayne State University
Dave Johnson, Wayne State University
Mark Greenwald, Wayne State University, Department of Psychiatry and Behavioral Neurosciences

27. Prevalence and Correlates of HSV-2 Infection among Rural Appalachian Injection Drug Users

Jamieson Duvall, University of Kentucky
Jennifer Havens, University of Kentucky
Rick Crosby, University of Kentucky
Carrie Oser, University of Kentucky
Carl Leukefeld, University of Kentucky

28. Self-Efficacy Beliefs regarding HCV Treatment among HCV-Positive Methadone Maintenance Treatment Patients

Nicholas Hengl, University of California, San Francisco, Department of Psychiatry
Carmen Masson, University of California, San Francisco, Department of Psychiatry
James Sorensen, University of California, San Francisco, Department of Psychiatry
Stephen Dominy, University of California, San Francisco, Department of Psychiatry
Mandana Khalili, University of California, San Francisco, Division of Gastroenterology
Jenna Ferrara, University of California, San Francisco
Jessica Hall, University of California, San Francisco
Ashly Jordan, Beth Israel Medical Center
Courtney McKnight, Beth Israel Medical Center
Cristopher Young, Beth Israel Medical Center
David Perlman, Beth Israel Medical Center; Center for Drug Use and HIV Research

29. Rethinking the Cultural Cartography of Appalachia: Region as a Fundamental Social Cause of Drug Use

Erin Pullen, University of Kentucky, Center on Drug and Alcohol Research/Department of Sociology
J. Matthew Webster, University of Kentucky, Center on Drug and Alcohol Research/Department of Behavioral Science
Brea Perry, University of Kentucky, Department of Sociology

- 30. Examining Changes in Substance Use and Health among a Homeless Population in Rural Central Kentucky**
Afton Jackson, University of Kentucky, Center on Drug & Alcohol Research
Lisa Shannon, University of Kentucky, Center on Drug & Alcohol Research
- 31. Use of AUDIT-C Alcohol Screening Scores as a Scaled Marker of Mean Daily Drinking**
Anna Rubinsky, VA Puget Sound, Health Services Research & Development; University of Washington, Department of Health Services
Katherine Bradley, VA Puget Sound, Health Services Research & Development; University of Washington, Department of Health Services
- 32. Incidence of Unhealthy Alcohol Use in Older U.S. Adults**
Mary Jo Larson, Brandeis University, The Heller School, Institute for Behavioral Health
Beth A. Mohr, Brandeis University, The Heller School, Institute for Behavioral Health
Mary Brolin, Brandeis University, The Heller School, Institute for Behavioral Health
Rich Saitz, Boston University School of Medicine/School of Public Health & Boston Medical Center, Departments of Medicine and Epidemiology
Daniel P. Alford, Boston University School of Medicine, Boston Medical Center
- 33. A Randomized Phase I Trial of a Brief Computer-Delivered Intervention for Alcohol Use During Pregnancy**
Golfo Tzilos, Brown University, Center for Alcohol & Addiction Studies
Robert Sokol, Wayne State University, School of Medicine
Steven Ondersma, Wayne State University, Department of Psychiatry & Behavioral Sciences
- 34. Rural and Urban Variations in Alcohol Consumption among Veterans Affairs Outpatients**
Emily Williams, VA Puget Sound, Health Services Research & Development
Karin Nelson, VA Puget Sound, Health Services Research & Development/Primary and Specialty Medicine
- 35. The Association between Alcohol Screening Scores and Alcohol-Related Risks among Female Veterans Affairs Patients**
Laura Johnson, VA Puget Sound Health Care System
Emily Williams, VA Puget Sound Health Care System
Katharine Bradley, VA Puget Sound Health Care System
- 36. Use of the Simple Screening Instrument for Substance Abuse (SSI-SA) in Services Research: Analysis of Psychometric Properties**
Roger Peters, University of South Florida, Department of Mental Health Law and Policy
Roger Boothroyd, University of South Florida, Department of Mental Health Law and Policy
Mary Armstrong, University of South Florida, Department of Child and Family Studies
- 37. Returning Veteran Comments on a Web-Based Alcohol Screening and Brief Intervention (eSBI): Lessons Relevant to Providers of SBI**
Gwen Lapham, VA Puget Sound, Health Services Research & Development
Eric Hawkins, VA Puget Sound, Health Services Research & Development
Laura Johnson, VA Puget Sound, Health Services Research & Development
Rachel Thomas, VA Puget Sound, Health Services Research & Development
Carol Achtmeyer, VA Puget Sound, Health Services Research & Development
Dan Kivlahan, VA Puget Sound, Health Services Research & Development
Stephen Hunt, VA Puget Sound Health Care System
Kypros Kypri, University of Newcastle, School of Medicine and Public Health
Katharine Bradley, VA Puget Sound, Health Services Research & Development
- 38. Integrative Data Analysis of Gender and Ethnic Differences in Multidimensional Family Therapy Randomized Controlled Trials**
Craig Henderson, Sam Houston State University

Paul Greenbaum, University of South Florida, Department of Child and Family Studies
Wei Wang, University of South Florida, Department of Epidemiology and Biostatistics
Anders Alexandersson, University of Miami, Miller School of Medicine
Gayle Dakof, University of Miami, Miller School of Medicine
Howard Liddle, University of Miami, Miller School of Medicine, Center for Treatment Research on Adolescent Drug Abuse

39. *Informal Work Experience, Substance Use, and Delinquency Among Young Adults*

Kathryn McCollister, University of Miami, Miller School of Medicine, Department of Epidemiology and Public Health

Frederick Zimmerman, UCLA School of Public Health, Department of Health Services

Lora E. Fleming, University of Miami, Miller School of Medicine, Department of Epidemiology and Public Health

David Lee, University of Miami, Miller School of Medicine, Department of Epidemiology and Public Health

William LeBlanc, University of Colorado, Denver

40. *Integrated Outpatient Model to Improve Treatment Outcomes for Co-Occurring Disorders*

Kathleen Darby, Middle Tennessee State University

Sam Choi, University of Tennessee

Susan M. Adams, Vanderbilt University

Dawn David, Foundations Recovery Network

41. *Social Support and Service Utilization as Correlates of Mental Health Outcomes*

Alexandra Minieri, University of Kentucky, College of Social Work

Michele Staton-Tindall, University of Kentucky, College of Social Work

Carmella Yates, Chrysalis House, Inc.

42. *Change in Co-Occurring Capability in Substance Abuse and Mental Health Programs*

Ron Claus, Missouri Institute of Mental Health

Heather Gotham, Mid-America ATTC

Andrew Homer, Missouri Institute of Mental Health

Edward Riedel, Missouri Institute of Mental Health

Steven Winton, Missouri Institute of Mental Health

Rachel Christiansen, Missouri Institute of Mental Health

43. *Adequate Mental Health Care for Past-Year Major Depressive Episodes among US Youth*

Pierre Alexandre, Johns Hopkins University School of Public Health, Department of Mental Health

Patrick Richard, George Washington University, Department of Health Policy

Arnouste Beauliere, ISPED, Université Victor Segalen Bordeaux 2

Silvia Martins, Johns Hopkins University School of Public Health, Department of Mental Health

44. *Substance Abuse in Individuals with First Episode Psychosis: A Systematic Review of Treatment Approaches*

Jennifer Wisdom, Columbia University

Jennifer Manuel, New York State Psychiatric Institute

Robert E. Drake, Dartmouth University Psychiatric Research Center

45. *Mental Health Treatment among Individuals with Alcohol Use Disorders: Results from Two National Surveys*

Mark Edlund, University of Arkansas for Medical Sciences, Department of Psychiatry and Behavioral Sciences

Brenda Boothm University of Arkansas for Medical Sciences, Department of Psychiatry and Behavioral Sciences

Xiaotong Han, University of Arkansas for Medical Sciences, Department of Psychiatry and Behavioral Science

46. *An Enhanced Understanding of Therapeutic Communities (TC's) Worldwide*

Nelson Tiburcio, National Development and Research Institutes, Inc., Center for the Integration of Research and Practice

47. Assessment of the Adolescent TC Treatment Process via Client and Counselor Report

Maria Edelen, RAND Corporation, Health Unit
Joan Tucker, RAND Corporation, Health Unit

48. A Pilot Feasibility Study of a Long Term Recovery Management Protocol for Persons with Stimulant Dependence

Gregory Brigham, Maryhaven; University of Cincinnati, Department of Psychiatry, College of Medicine
Robert Carlson, Wright State University, Department of Community Health, Boonshoft School of Medicine
Brenda Booth, University of Arkansas, Division of Health Services Research, Department of Psychiatry
Russel Falck, Wright State University, Department of Community Health, Boonshoft School of Medicine

49. Patient and Staff Perspectives on Managing Addiction as a Chronic Disease: A Pilot Study

Robert Carlson, Wright State University, Department of Community Health
Gregory Brigham, Maryhaven
Lawrence Hammar, Wright State University, Department of Community Health
Russel Falck, Wright State University, Department of Community Health

50. Exploratory Assessment of State Data Examining Client Transfers across Alcohol and Drug Treatment Services as a Measure of Continuity of Care

Darren Urada, University of California Los Angeles, Integrated Substance Abuse Programs
Richard Rawson, University of California Los Angeles, Integrated Substance Abuse Programs
Allison J. Ober, University of California Los Angeles, Integrated Substance Abuse Programs
Valerie Pearce, University of California Los Angeles, Integrated Substance Abuse Programs
Rachel Gonzales, University of California Los Angeles, Integrated Substance Abuse Programs

51. Health Care Needs, Barriers to Health Care, and Strategies to Receive Care among Illicit Drug Users

Clyde McCoy, University of Miami, Department of Epidemiology & Public Health
Duane McBride, Andrews University, Department of Behavioral Sciences
John Bryan Page, University of Miami, Department of Anthropology
Dale Chitwood, University of Miami
Lisa Metsch, University of Miami, Department of Epidemiology & Public Health
David Forrest, University of Miami, Department of Epidemiology & Public Health
Yves Jeanty, University of Miami, Department of Epidemiology & Public Health

52. Meta-Analyses of Nine of NIDA's Principles of Drug Addiction Treatment: Findings from the Evidence-Based Principles of Treatment Project

Frank Pearson, National Development and Research Institutes, Inc.
Michael Prendergast, UCLA Integrated Substance Abuse Programs
Deborah Podus, UCLA Integrated Substance Abuse Programs
Peter Vazan, National Development and Research Institutes, Inc.
Zachary Hamilton, Washington State University, Department of Criminal Justice

53. Entry into Methadone Treatment via Interim Methadone: A Randomized Trial

Robert Schwartz, Friends Research Institute
Jerome Jaffe, Friends Research Institute
Sharon Kelly, Friends Research Institute
Kevin O'Grady, University of Maryland, College Park

54. Preventing Opioid Overdose in Pittsburgh and New York City: Matching Service Delivery Models with Setting

Alex Bennett, National Development and Research Institutes, Inc./Public Health Solutions
Rafael Torruella, National Development and Research Institutes, Inc./Public Health Solutions

55. Clergy Involvement in Congregants' Substance Abuse Problems and Treatment Referrals

Curtis VanderWall, Andrews University, Department of Social Work/Institute for Prevention of Addictions
Edwin Hernandez, DeVos Family Foundations
David Sedlacek, Andrews University, Department of Social Work
Alix Sandman, Andrews University, Department of Social Work

56. The Critical Elements of Housing First Programming: Developing Fidelity Measures through the Use of Expert Opinions

Dennis Watson, Loyola University Chicago, Center for Urban Research and Learning
Michael Rivers, Loyola University Chicago, Center for Urban Research and Learning
Dana Wagner, Loyola University Chicago, Center for Urban Research and Learning

57. Who Is the Neighborhood Threat? Sober Living Homes Respond to Relapse Risks and Stigma

Kevin Heslin, Charles Drew University of Medicine and Science
Trudy Singzon, San Francisco Department of Public Health
Otaren Aimiwu, Charles Drew University of Medicine and Science
Alison Hamilton, University of California, Los Angeles

58. Job Frustration In Substance Abuse Counselors Working With Offenders In Prisons Versus Community Settings

Elizabeth Biebel, Morehead State University, Department of Sociology, Social Work, and Criminology

59. Clinical supervision in substance abuse treatment: Different from administrative supervision?

Tom Vaughn, University of Iowa, Department of Health Management and Policy
Anne Helene Skinstad, Prairielands Addiction Technology Transfer Center
Karen Summers, Prairielands Addiction Technology Transfer Center

60. What Predicts Actual Turnover among the Substance Abuse Treatment Workforce?

Lillian Eby, University of Georgia, Department of Psychology
Charleen Maher, University of Georgia, Department of Psychology
Julia Sauer, University of Georgia, Department of Psychology

61. Counselor Incentives for Improving Attendance and Retention in a Community Outpatient Substance Abuse Clinic

Ryan Vandrey, Johns Hopkins University
Maxine Stitzer, Johns Hopkins University
Shauna Acquavita, Johns Hopkins University
Patricia Stabile, Harbel Prevention and Recovery Center

62. Statewide System Change in Problem Gambling Prevention and Treatment: Use of NIATx Principles of Process Improvement

Anne Helene Skinstad, Prairielands Addiction Technology Transfer
Janet Zwick, Zwick Healthcare Consultants LLC
Karen Summers, Prairielands Addiction Technology Transfer Center
Mark VanderLinden, Iowa Department of Public Health
Robert Kierksick, Iowa Department of Public Health

63. Preliminary Results of a State-Based Disease Management Program for Addictions

Charles Neighbors, Columbia University, The National Center on Addiction & Substance Abuse
Jon Morgenstern, Columbia University, The National Center on Addiction & Substance Abuse
Edward P. Tesiny, New York State Office of Alcoholism and Substance Abuse Services
Yi Sun, New York State Office of Alcoholism and Substance Abuse Services
Constance Burke, New York State Office of Alcoholism and Substance Abuse Services
Leland Bardsley, Columbia University, The National Center on Addiction & Substance Abuse
Rajeev Yerneni, Columbia University, The National Center on Addiction & Substance Abuse

64. Conceptual Framework for Improving Implementation of Evidence-based Addiction Treatment in Criminal Justice Settings

Steven Belenko, Temple University, Department of Criminal Justice
Wayne Welsh, Temple University, Department of Criminal Justice
Matthew Hiller, Temple University, Department of Criminal Justice
Dean Fixsen, University of North Carolina
Gary Zajac, Pennsylvania State University

65. Organizational and Practitioner Variations among Sites Participating in Clinical Trials: Implications for Outcomes

Holly Fussell, Oregon Health & Science University, Department of Public Health and Preventive Medicine
Lynn Kunkel, Oregon Health & Science University, Department of Public Health and Preventive Medicine
Traci Rieckmann, Oregon Health & Science University, Department of Public Health and Preventive Medicine
Dennis McCarty, Oregon Health & Science University, Department of Public Health and Preventive Medicine
Marisa Gholson, Oregon Health & Science University, Department of Public Health and Preventive Medicine

66. Randomized Trial of Enhanced Profiling in Substance Abuse Treatment

Marilyn Daley, Brandeis University, Schneider Institutes for Health Policy
Donald Shepard, Brandeis University, Schneider Institutes for Health Policy
Christopher Tompkins, Brandeis University, Schneider Institutes for Health Policy
Robert Dunigan, Brandeis University, Schneider Institutes for Health Policy
Sharon Reif, Brandeis University, Schneider Institutes for Health Policy
Jennifer Perloff, Brandeis University
Lauren Siembab, Connecticut Department of Mental Health and Addiction Services
Constance Horgan, Brandeis University

67. Increases in Pharmacotherapy Adoption in Publicly Funded Substance Abuse Treatment Over Time

Hannah Knudsen, University of Kentucky, Department of Behavioral Science
Carrie Oser, University of Kentucky, Department of Sociology/Center on Drug & Alcohol Research
Amanda Abraham, University of Georgia, Institute for Behavioral Research

68. Improving Access to Evidence-Based Practices for Substance Abuse Treatment: Results of a Three-Year National Survey of Single State Authorities

Traci Rieckmann, Oregon Health & Science University, Department of Public Health & Preventive Medicine
Anne Kovas, Oregon Health & Science University, Department of Psychiatry
aitlin Rasplca, Oregon Health & Science University, Department of Public Health & Preventive Medicine

69. Adoption, Sustainability and Discontinuation of Alcohol Pharmacotherapies in Substance Abuse Treatment Programs

Amanda Abraham, University of Georgia, Institute for Behavioral Research/Department of Sociology
Paul Roman, University of Georgia, Institute for Behavioral Research/Department of Sociology

70. Integrating Buprenorphine Treatment into Formerly "Drug Free" Outpatient Programs: Staff Perspectives

Shannon Mitchell, Friends Research Institute
Jerome Jaffe, Friends Research Institute
Jan Gryczynski, Friends Research Institute
Yngvild Olsen, Baltimore Substance Abuse Systems

71. Social Workers' Knowledge, Opinions, and Adoption of Motivational Enhancement Therapy and Contingency Management

Brian Bride, University of Georgia
Sara Kintzle University of Georgia

Amanda Abraham, University of Georgia
Paul Roman, University of Georgia

72. *Where the Rubber Meets the Road: An Integrated Model of Technology Transfer in the Innovation Process*

Paula Horvatic, Virginia Commonwealth University, Department of Psychiatry; ATTC Network, Technology Transfer Workgroup
Nancy Roget, University of Nevada Reno
Dan Squires, Brown University
Aaron Williams, Danya Institute
Heather Gotham, University of Missouri-Kansas City
Mike Flaherty, IRETA
Deann Jepson, University of Missouri-Kansas City
Pam Waters, Florida Certification Board
Holly Hagle, IRETA
Eric Hulsey, IRETA
Erin Fridley, University of Missouri-Kansas City

73. *Implementation of Cognitive Behavioral Therapy in a Nationally Representative Sample of Privately Funded Substance Abuse Treatment Programs: Roles of Training and Supervision*

Sarah Savage, University of Georgia, Center for Research on Behavioral Health & Human Services Delivery
Amanda Abraham, University of Georgia, Center for Research on Behavioral Health & Human Services Delivery
Brian Bride, School of Social Work, University of Georgia
Paul Roman, University of Georgia, Center for Research on Behavioral Health & Human Services Delivery

74. *Counselors' Implementation of Tobacco Cessation Guidelines*

Tanja C. Rothrauff, University of Georgia, Institute for Behavioral Research
Lillian T. Eby, University of Georgia, Department of Psychology

75. *Barriers and Supports for Pharmacotherapy Alcohol Use Disorders in the Veterans Health Administration*

Alex Harris, VA Palo Alto Health Care System
Rachelle Reeder, VA Palo Alto Health Care System
Laura Ellerbe, VA Palo Alto Health Care System
Dan Kivlahan, VA Puget Sound Health Care System
Hildi Hagadorn, VA Minneapolis Health Care System

76. *Psychotropic Medication Use in Spouses of Active Duty Soldiers Following Deployment*

Beth A. Mohr, Brandeis University, Institute for Behavioral Health
Mary Jo Larson, Brandeis University, Institute for Behavioral Health
Rachel Sayko Adams, Brandeis University, Institute for Behavioral Health
Christopher Tompkins, Brandeis University, Institute for Behavioral Health
Thomas V. Williams, TRICARE Management Activity, Health Program Analysis & Evaluation Division

77. *The Impact of a Three-Hour Neuroscience of Addiction Curriculum on University Students' Knowledge and Attitudes: Results from the NIDA Enters College Project*

Joyce Hartje, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies
Nancy Roget, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies
Michelle Berry, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies
Wendy Woods, University of Nevada, Reno, Center for the Application of Substance Abuse Technologies

78. *Alternative Strategies of Learning for Continuing Education: Internet Versus Traditional Conference Format*

Robin Montvilo, Rhode Island College, Department of Psychology
Jennifer Desjarlais, Rhode Island College, Department of Psychology
Erica Russo, Rhode Island College, Department of Psychology

79. *The Impact of Treatment Setting and Method of Payment on Substance Abuse Treatment Completion*

Amity Quinn, Brandeis University, The Heller School, Institute for Behavioral Health

80. *Behavioral Health Parity in the Absence of Strong Managed Care*

K. John McConnell, Oregon Health & Science University
Neal Wallace, Portland State University
Bentson McFarland, Oregon Health & Science University
Traci Rieckmann, Oregon Health & Science University
Dennis McCarty, Oregon Health & Science University

81. *Evaluation of Provider Profiling in Public Sector Substance Abuse Treatment*

Marilyn Daley, Brandeis University, The Heller School, Schneider Institute for Health Policy
Donald Shepard, Brandeis University, The Heller School, Schneider Institute for Health Policy
Christopher Tompkins, Brandeis University, The Heller School, Schneider Institute for Health Policy
Robert Dunigan, Brandeis University, The Heller School, Schneider Institute for Health Policy
Sharon Reif, Brandeis University, The Heller School, Schneider Institute for Health Policy
Jennifer Perloff, Brandeis University, The Heller School, Schneider Institute for Health Policy
Constance Horgan, Brandeis University, The Heller School, Schneider Institute for Health Policy
Lauren Siembab, Connecticut Department of Mental Health & Addiction Services

82. *The Relationship between Drug Treatment Program Ownership, Medicaid Acceptance and Types of Service Provision*

Duane McBride, Andrews University
Mesfin Mulatu, Centers for Disease Control
Jamie Chriqui, University of Illinois, Chicago
Yvonne McElrath, University of Michigan

83. *Long-term Trends in Health Care Costs among Medicaid Beneficiaries Receiving Treatment for Opioid Dependence*

Mihail Samnaliev, University of Massachusetts Medical School, Center for Health Policy and Research
Hassan Fouayzi, University of Massachusetts Medical School, Center for Health Policy and Research
Robin Clark, University of Massachusetts Medical School, Center for Health Policy and Research
Jeff Baxter, University of Massachusetts Medical School, Center for Health Policy and Research
